Intro G D7 C G C G C G

G C G D Bm G
I will never choose to take, a path that leads where You'd forsake
D C G C G
I'll take my Cross up every day – And live a life that brings You praise
D C G D Bm G
And take me to Your secret place, and hide me there with You alone.
D C G D Bm G
And crucify my selfish flesh, and take away my heart of stone
D C G D Bm G
And ev-ry hour of ev-ry day, as You lead and mark my way,
D C C G
I will follow You and gladly say, not my will but Yours be done

G D7 C G C G C G

C G D Bm G
I'll shun the wide and easy way, that errs from You and leads astray
D C G C G
With all my mortal breath I'll plead, not my will but Yours be done
D C G D Bm G
And take me to Your secret place, and hide me there with You alone
D C G D Bm G
And crucify my selfish flesh, and take away my heart of stone
D C G D Bm G
And ev-ry hour of ev-ry day, as You lead and mark my way,
D C G C G
I will follow You and gladly say, not my will but Yours be done

G D7 C G C G C G

C G D Bm G
 I'll covet neither lands nor gold, nor seek the glory man bestows
D C G C G
 Lord, not my works but Yours be praised, and not my word but Yours be told
D C G D Bm G
 And take me to Your secret place, and hide me there with You alone.
D C G D Bm G
 And crucify my selfish flesh, and take away my heart of stone
G D C G D Bm G
 And ev-ry hour of ev-ry day, as You lead and mark my way,
D C G C G
 I will follow You and gladly say, not my will but Yours be done

G D7 C G C G C G

C G D Bm G
 I'll walk the straight and narrow path, to find the city You have made,
D C G C G
 And bow before Your Throne at last, and Lord what more could mortal say?
D C G D Bm G
 But, not my will but Yours be done, as long as breath be found in me
D C G D Bm G
 Forever and forever more, through all the grand Eternity
C G D C G
 I will praise You and may Your Will be done.
