Oh look, upon, the fields,
(oh look) (upon) (look on the fields)

The grain is ripe for the harvest

But Oh-o-oh the labourers are few who's going to answer the call?

The highways and Hedges, and the byways are bare.

We need more labourers and harvesters there.

We've got to show them that somebody cares

Who's going to answer the call

Take a look, across, the land
(look) (across) (it's our land)

The road to hell is crowded.

But who will go and spread the Good News?

And warn them to turn from their ways

The highways and Hedges, and the byways are bare.

We need more labourers and harvesters there.

We've got to show them that somebody cares

Who's going to answer the call
