C G C
So, pucker up, and see it through a smile.
C F C F
When you've had a bad day, just keep it to yourself,
C F C F
Don't try and make it bad, for everybody else,
AM F
Put the lid on your cares, and show that all is well,
C G C
Then pucker up, and see it through a smile.
F C G7 C F C G7
C F C F
Life's too short to spend it being grim,
C F C F
C F C F Only you can make the change between your nose and your chin,
Only you can make the change between your nose and your chin,
Only you can make the change between your nose and your chin,  Am  F  C  G  C
Only you can make the change between your nose and your chin,  Am  F  C  G  C
Only you can make the change between your nose and your chin,  Am  F  C  G  C  Turn your frown upside down, pucker up, and see it through a smile.
Only you can make the change between your nose and your chin,  Am  F  C  G  C  Turn your frown upside down, pucker up, and see it through a smile.
Only you can make the change between your nose and your chin,  Am  F  C  G  C  Turn your frown upside down, pucker up, and see it through a smile.  G  C  See the world through a smile, and it makes it change,  G  C  F  C
Only you can make the change between your nose and your chin,  Am  F  C  G  C  Turn your frown upside down, pucker up, and see it through a smile.  G  C  See the world through a smile, and it makes it change,
Only you can make the change between your nose and your chin,  Am F C G C  Turn your frown upside down, pucker up, and see it through a smile.  G C F C  See the world through a smile, and it makes it change,  G C F C  'Cause it's hard to be grumpy with a smile on your face,  Am F
Only you can make the change between your nose and your chin,  Am  F  C  G  C  Turn your frown upside down, pucker up, and see it through a smile.  G  C  See the world through a smile, and it makes it change,  G  C  F  C  'Cause it's hard to be grumpy with a smile on your face,
Only you can make the change between your nose and your chin,  Am F C G C  Turn your frown upside down, pucker up, and see it through a smile.  G C F C  See the world through a smile, and it makes it change,  G C F C  'Cause it's hard to be grumpy with a smile on your face,  Am F  See the silver lining, instead of gloom and rage,
Only you can make the change between your nose and your chin,  Am F C G C  Turn your frown upside down, pucker up, and see it through a smile.  G C F C  See the world through a smile, and it makes it change,  G C F C  'Cause it's hard to be grumpy with a smile on your face,  Am F  See the silver lining, instead of gloom and rage,  C G C  So, pucker up, and see it through a smile.
