

Communion

Words and music by Kevin Lee

Intro: G C G

When all I can see around is night, and I long for Heavenly light,

I slip away to a secret place with Jesus all alone.

It's sweet communion, it's such a beautiful union,

In my secret closet hid with Jesus all alone.

I take all my sorrows there, I cast upon Him all my cares,

I meet Him there, and just a touch from Jesus makes me whole.

It's sweet communion, it's such a beautiful union,

In my secret closet hid, with Jesus all alone.

In my secret closet hid with Jesus all alone.
