

# God has a Plan (DS)

Words and music by Kevin Lee

C G C G C G

God has a Plan, He will be God, he will be man.

D G

He'll wrap Himself, in earthly flesh,

D G

And step below, to bear our sins.

C G C G C G

He'll walk our streets, the dust of earth upon His feet.

D G

His shoulders stooped beneath our cares,

D G

Wrapped in a robe stained with our tears.

C G C G C G

He'll speak our words, and labour side by side with us,

D G

To take our sin upon Himself,

D G

And give His righteousness to us.

C G C G C G

God has a Plan, He'll leave His throne to be a man.

D G

God has a Plan, a mighty Plan,

C G

He'll be our God, He'll be a man.
