

Nothin' left to lose

Words and music by Kevin Lee

G C D G

There's nothin' left to lose, when you're livin' on the street.

C D7 G Em Am G D G

Reputation has been blown, and innocence has flown, far, far, away.

G C D G

This is livin' on the street, garbage can and dumpster beat,

C D7 G Em

Is our daily round of sorrows, tryin' to hustle till tomorrow.

Am G D G

Far, far from home."
