

That's what your friend's are for (PS)

Words and music by Kevin Lee

Intro. G Em C D7

When you're down on your luck, and you struggle to stand,

With nothing but hardship in store.

That smile at your side lets you know in your heart, that's what your friend's are for.

A friend is the smile that cheers through the gloom.

That hand when it's needed just so bad.

A shoulder to cry on when it all goes wrong.

That's where your friend's are found because, that's what your friend's are for.

When the world all around comes tumbling down,

Everyone has deserted the ship.

To your left and your right, they'll be there in the fight because,

That's what your friend's are for.

A friend is the smile that cheers through the gloom,

That hand when it's needed just so bad,

A shoulder to cry on when it all goes wrong,

That's where your friend's are found because, that's what your friend's are for.

When the road's paved ahead, with sorrow and dread,
