Chair x 1 (Throne).

(God is sitting on His Throne, when He calls for the Angel Gabriel).

God. "Gabriel!"

Gab. (Walks on). "Yes, Sir?"

God. "Gabriel...You go down to Gaza and tell My Prophet Ahaz to warn those people...If they harm Israel, I will wipe them from the Face of the Earth...And remind them, He who blesses Israel will be blessed...And he who curses Israel will be cursed!"

Gab. "Yes Lord." (Gabriel leaves and returns).

God. "That was quick!"

Gab. "Yes Lord."

God. "And how did it go?"

Gab. "Well...It did and it didn't, Sir."

God. "Gabriel...You aren't a Jew, so don't speak in riddles."

Gab. "Yes Lord...I told him."

God. "And?"

Gab. "And...He said...He...Er...He can't say that."

God. "He what?"

Gab. "He can't say that, because it's a hate crime apparently...And he'll go to jail."

God. "A hate crime?"

Gab. "Yes Sir."

God. "Did you tell him I wanted him to say it?"

Gab. "Yes."

God. "And?"

Gab. "And...he said he still can't..."

God. "This is preposterous!"

Gab. "Yes!"

God. "These people are killing My People willy-nilly and that's alright?"

Gab. "Apparently...Yes."

God. "And they can say they're going to wipe Israel from the Face of the Earth...And that's not a hate crime?"

Gab. "Apparently not, Sir."

God. "So...My Creation are telling Me what I can and can't say?"

Gab. "Apparently...Yes Sir."

God. "Gads....What next?"

Gab. "Yes...What?"

God. "Ok Gabriel...Go back down there and tell Ahaz to prophesy...Thus saith the Lord...There are five years of famine coming on those Nations that harm My People Israel!"

Gab. "Yes Lord." (Leaves and returns).

God. "That was quick!"

Gab. "Yes Lord."

God. "And?"

Gab. "And...Um....He's not allowed to say that either."

God. "What?"

Gab. "If you only do it to some Nations and not to others, that's a hate crime too...apparently."

God. "I don't believe this?"

Gab. "It's true."

God. "Gads."

Gab. "And if you do that...you'll...Er...have to go down to the World Court and be judged."

God. "What?...My Creation are going to judge Me?"

Gab. "Apparently Sir...Yes."

God. "This is preposterous!...What next?"

Gab. "Yes what?"

God. "Ok Gabriel...Go back down there and tell Ahaz to say...Thus saith the Lord...I Am that I Am and I do what I do...And let not the potsherd tell the Potter what I can do with My own!"

Gab. "Yes Lord." (Leaves and returns).

God. "That was quick!"

Gab. "Yes Sir."

God. "And?"

Gab. "You don't have to go to Court now."

God. "That's a relief...Why not?"

Gab. "They said...Er...He doesn't really exist...He's only a figment of Ahaz's imagination..."

God. "So now they're telling Me I don't exist?"

Gab. "Apparently...Yes."

God. "Gads...What next?"

Gab. "Yes what?"

God. "I'm not putting up with this...Go back down there Gabriel, and tell Ahaz to warn them...Thus saith the Lord...Shall the chaff say to the Wheat...What have we to do with Thee?"

Gab. "Yes Sir." (Leaves and returns).

God. "That was quick!"

Gab. "Yes Sir."

God. "And...How did it go?"

Gab. "Not so well I'm afraid..."

God. "Why not?"

Gab. "You're in trouble again."

God. "*I'm* in trouble?"

Gab. "Yes....You're not allowed to speak anymore apparently."

God. "What?"

Gab. "Something about their self-esteem, Sir."

God. "I don't believe this?"

Gab. "It's true, Sir."

God. "What next?"

Gab. "There is no next, Sir..."

God. "What do you mean...There is no next?"

Gab. "You aren't allowed to say or do anything on Earth anymore apparently, Sir."

God. "So...I've been banned *from* My creation...*by* My creation?"

Gab. "Apparently...Yes Sir."

God. "Hmm...What next?"

Gab. "Um...Sorry Sir...But there is no next."

God. "Gads!"

Nar. "Because we are given free-will...we can choose to spend our lives ignoring God...But, even though mankind are banishing Him from their world...they cannot make Him go away...We have control of our destiny while we live...but, when we die, we will lose control of our destiny...and we will all be subject to the plan of God...whether we believe He exists or not...Ignoring Him is acceptable...but trying to convince ourselves He doesn't exist, is just whistling in the graveyard...We all have an appointment with Him when we die...so the wisest thing to do is to meet Him now...and be prepared for what will happen when we are not free to choose our own destiny any longer."

(God is sitting on His Throne, when Gabriel enters).

God. "Good morning, Gabriel!"

Gab. "Good morning, Sir...I'm afraid there's trouble brewing on earth again."

God. "Again?...What is it this time?"

Gab. "Ahaz the Prophet Sir...It seems he's been told to pay tax...Or register as a Non-Profit Organisation...Some new Law they've passed, Sir."

God. "Really?...Well he must render to Caesar...Tell him to do what he thinks is best."

Gab. "Yes Sir." (He leaves and returns).

God. "That was quick!"

Gab. "Yes Sir."

God. "And?"

Gab. "And it gets worse Sir..."

God. "What do you mean...It gets worse?"

Gab. "They said..." (Looking at his clipboard) "So much money is given to God every year...That He has to register as a Non-profit Organisation...Or submit a set of accounts to them and pay tax."

God. (Loudly). "What?...Me pay tax to them?"

Gab. "Yes Sir...It seems that way."

God. "The upstarts!...You tell Ahaz to tell them I'm not paying tax to them...Who do they think they are?"

Gab. "Yes Sir." (Leaves and returns).

God. "That was quick!"

Gab. "Yes Sir."

God. "So...How did it go?"

Gab. "Umm...It did and it didn't Sir..."

God. (Loud). "Gabriel!"

Gab. "Yes Sir...They said..." (Looking at his clipboard). "He has until the end of July to pay His tax...or He will have to pay penalty tax."

God. (Loud). "What?...This is preposterous!"

Gab. "Yes Sir."

God. "You go back and tell Ahaz to remind them, that I own the cattle on a thousand hills...And the wealth in every mine...I'm not paying tax to them...I created it all!"

Gab. "Yes Sir!" (Leaves and returns).

God. "So...Did you fix it?"

Gab. "Well...Umm...Yes and no Sir."

God. (Loud). "Gabriel!"

Gab. "Yes Sir...Hmm hmm..." (Looking at his clipboard) "...They...Um...Said...Um...He has to give us a tally of all his cattle...And all His mines...And He has to pay tax on it all...At um...Twenty percent Sir..."

God. (Loud). "What?"

Gab. "They um said...He has to..."

God. (Loud). "Gabriel...I heard what they said!"

Gab. "Yes Sir!"

God. "You go back there and tell Ahaz to tell them I created it all...And I'm not paying tax to them...Because I created them too."

Gab. "Yes Sir!"

God. "And don't come back until they agree Gabriel....Kapeesh?"

Gab. "Kapeesh Sir!" (He leaves).

God. "Give them tax?...I'll give them a drought they'll never forget!"

(Shaking His head...He looks around...Drums His fingers on the table...Whistles a tune...Looks around again).

God. "Well....I guess that's the end of him!"

Nar. "Mankind think they can tell God what to do...Keep out of our Schools...Keep out of our Parliaments...We will decide for ourselves what is right and what is wrong...What is true and what is false...This is what a seven-year-old brat does when he says...'I don't have to listen to you!'...He thinks he can make up his own rules, to suit himself...But children cannot see the bigger picture...any more than Mankind can see the bigger picture...Mankind cannot see before birth...and they cannot see after death...If they could, they would know they cannot do without God...just like a child cannot do without their parents."

New Testament

Wor. "Good morning, Church...God Bless you...Welcome here this morning...Amen!

I really feel in my spirit....that God is going to bless us in a special way today...

I feel that God is going to speak a blessing...just for us today...Amen?...Yeah!...

Well...Look at that...the clock's stopped...it stopped at 20 to 9...

What's that Church?...8:40 isn't it?...Praise the Lord!

I feel in my spirit...that God is telling us John 8:40 is just for us today...Amen Church?

God is speaking John 8:40 just for us...John 8:40 what does it say?...

Just bear with me while I find God's blessing for us...Oh this is exciting Church!...

Isn't it exciting?...Yes, here it is...

'But now ye seek to kill me, a man that has told you the truth...'

Um...No, that's not for us folks...that's for another Church...Amen?...

No, I feel God is telling me in my spirit it's Matthew 8:40...God is speaking to us...

He is speaking Matthew 8:40 just to bless us today...Oh, isn't this exciting Church?...

Yeah!...Praise God!...What's that?...There is no Matthew 8:40?...Are you sure?...

Well...Um...Yeah, that's it...Praise God Church!...God says Luke 8:40...

Yeah!...I feel in my spirit that God is speaking Luke 8:40 as a blessing for us today!...

Amen!...Luke 8:40...Now, third time lucky...Let's read it...now here it is!...

'And it came to pass that when Jesus was returned, the people gladly received Him:

For they were all waiting for Him.' Amen!...Praise God!...Isn't that true Church?...

Aren't we all waiting for Him!...Yeah!...Praise God Church!...God is here...

He's spoken a Word just for us!...Praise God...Hallelujah!...He is speaking to us!...

Praise the Lord Church!...Oh, now let's worship Him in song!...What can we sing?...

Let's sing, 'Jesus is in His Church today,'...Amen!...So, let's sing..."

Nar. "God is Omniscient, meaning He knows all things...So, He gets it right first time, every time...He doesn't guess...and He doesn't need a second or third time lucky, to get it right...If it isn't right the first time, it isn't God...it's someone's enthusiasm."

When God speaks

Kevin Lee

Performers x1

Worship leader/Narrator

Wor. "I feel so anointed...I feel I have a Word of Knowledge for you today, Church...

Yes!...Amen!...Ah...You, on the third row, at the end...

God is telling me you've been off work for two weeks...but you'll go back to work tomorrow...Healed in the Name of Jesus!...Oh, let's give Him praise Church!...Let's give Him praise!...

The man next to you, he...What's that?...What?...You haven't had a job for three years?...Are you contradicting God?...Are you saying God's a liar?...No, you'd better not all right...If God says you'll go back to work tomorrow healed...then you'll go back to work healed...Amen!...

The man next to you, he's been struggling financially for a long time...

But God says, 'It's over'...It's over now...He's going to open the windows of Heaven...and pour out a blessing you can't contain...thirty days...Count down the days thirty days and you'll receive it...Amen Church!...

The man next to you...That old car of yours...it has to be nursed along...like an old man

But, God says, at some time during this week...a man is going to stop you on the street, and hand you the keys to a brand new Mercedes...Aren't you lucky!...Aren't you blessed! What?...You can't drive?...You don't have a licence?...Well, if I was you, I'd get one...because you can't drive your new Mercedes without one!...Amen!...

Do you people doubt God?...Am I the only one here who's in tune with Him?...

When God speaks, believe Him...don't question Him...He's filling my mouth with His Word...and you're covering your ears...Listen to Him...Listen to Him folks...

I think we'll have to go on to Worship...You people aren't ready to hear from God.

Let's sing...Um...'Speak my Lord.'...Yes, Speak my Lord...That's what we need to say to Him...'Speak and I'll be quick to answer Thee.'...Amen!...So, let's sing."

Nar. "God doesn't make mistakes...and He never says anything which isn't true...He can tell you right now, how many times your heart has beat in your life...and how many breaths you've taken...He doesn't guess at it, because He knows all things."
