

Touched by the hand of God

Words and music by Kevin Lee

G D G C

In the beginning when God created this world,

G D

He looked down upon it and it was good so very good.

G D G C

And everything He made was beautiful, so perfect to see.

G D G C D G

It was touched by the hand of God, it was blessed in the hands of God.

D G C G

And the rivers and the mountains, and the sunset on the sea,

D G D

He has held them in His hands and they are blessed for you and me.

G D C

So if your life is broken, it can be what it should be,

G D G

When it's touched by the hand of God,

G D G

When it's blessed in the loving hands of God.
